

# Favourable report on the tender of [Moses] Beranger [Berenger] to handle tin in Amsterdam.

**Author:** Isaac Newton

**Source:** MINT 19/3/544, National Archives, Kew, Richmond, Surrey, UK

---

<544r>

M<sup>r</sup> Beranger is willing to ensure the payments at 1 per cent.

He is willing to sell according to a price set either in gilders or in English money & to be accountable in the same money after the manner that Merchants account to one another. His Lordship may alter the price

That he has received 26000<sup>li</sup> & when he has 4000<sup>li</sup> more there will be deliverable 480 Tunns, & he is ready to deliver the same as soon as your Lordship pleases to order it.
