Middx Ss The Information of Unidentified of the Pillace yard Westm^{er} taken {upon} oath this 10th day of Nov:^{er} 1702

Who saith that he has been acquainted with one Unidentified for some years last past and has heard her severall times declare that Unidentified and Unidentified are coyners and do counterfeit the currant coyn of this kingdome at a house they have lately bought at a place called Avery Bower, near Rumford in Essex, and this informant further saith that by his own observation that he has since made of the aforesaid Unidentified, he doth verily beleive him with other to be ill men and that they now do practise the trade counterfeiting the currant coyn of this kingdom

Unidentified jurat coram me die et anno pradiet: J: Stanley
