The Examination of Humphrey Hanwell now in custody 23^d December 1699

Saith that he used to cast Sword hilts Shoe Buckles spoones + Forkes without assistance of any body in the Cellar of his house in the Mint in the Burrough of Southwark where M^r Saker M^r Rewse and others apprehended him and that the counterfeit money now produced was not made by him nor doth he know how it came into his Cellar and saith that the 3 branches and Ingot{s} now produced were for making of Buckles and that yesternight this Examinant was at work in the said Cellar in making of Buckles and trying to make a Sword hilt

Humphrey Hanwell
