To the Right Honourable the Lords Commissioners of his Majestys Treasury.

May it please your Lordships

The Clerks & under Officers of the Mint whose salaries were not above forty pounds per annum, have lately had their salaries increased by one fourth part by a signe manual, except the Porter of the Mint M^r Robert Low. And I humbly pray that his Salary, which is but twenty pounds per annum, may in like manner be increased to twenty & five pounds per annum

Which is most humbly submitted to your Lordships great wisdom
