To the most Honourable the Earle of Oxford & Earle Mortimer Lord High Treasurer of great Britain.

May it please your Lordship

In obedience to your Lordships Order of Reference of 26th of last Febr. upon the Memorial of M^r Anstis for raising the price of the Tynn in Cornwal from 3^{li}. 13^s to 3^{li}. 14^s. 6^d per cwt merchants weight: We have considered the same & are humbly of opinion that the price be raised to 3^{li} 15^s, so that for the future it may be sold in Cornwall but one shilling per cwt cheaper then in London; the difference of the freight from London & from Cornwall to places abroad being but small.

All which is most humbly submitted to your Lordships

great wisdom
