The Information of M<sup>r</sup> W<sup>m</sup> Atwill Goldsmith taken upon Oath &c.<sup>t</sup> this 24. day of July 1704.

Who saith that he this Deponent hath bought at divers times severall parcells of peices of Eight of M<sup>r</sup> Unidentified Marchant in Mark Layn, and that he this Deponent hath often found fault with Some of the peices of Eight so bought as aforesaid and returned the same back to the aforesaid M<sup>r</sup> Unidentified, And he this Deponent doth say that he doth beleive the peices of Eight so returnd as aforesaid to be good Silver, but doth not beleive they were either coyn'd or Stampd in Spain, or in the Spanish west Indies. And that those which he so Objected against are of the same sort that is now shewn unto him, and that he doth not remember, that any other person did Offer to Sell him any of the aforesaid Suspitious peices of Eight Except the aforesaid M<sup>r</sup> Unidentified.

Capt. S Lovell Hee the Said Deponent being further Examined saith & deposeth that since his above Examination was taken he was at the East Company Treasury to know, whether they had look't over the peices of Eight he last Sold them, and had there, about 150. peices return'd upon his hands for Counterfeit, which he deposeth he beleives he bought from M<sup>r</sup> Unidentified, and are of the same kind with those above mentioned, And produced unto him.
