<161r>

At how many livres sous & deniers do the Crowns & Lewidors old species, the crowns & Lewidors new species, the three Gilder pieces & Patacons of Holland & the Crowns & Guineas of England, pass at Dunkirk.

What are the names of all the new species of gold & silver coynes of France & what is their proportion to one another in current value.

In what Mint is the gold & silver coined which is brought by Merchants or prize ships into Dunkirk.
