The Information of Anth Dann and Anthony S<sup>t</sup> Leger 19 Aug<sup>t</sup>. 1699

Who upon their oathes joyntly and severally say that this day upon searching the Lodging room of Thomas Pilsbury now in custody they found therein a Pott with charcoal in it and more charcole in the room a pair of Bellows and some bitts of Metall in the said Pott. That a fire had been made in the like bitts of Metall upon the floor by the said pott and they likewise found wrapt in a paper laid in the Window of the said room 2 pieces of Metal which are commonly called {Getts} or the Tops of the Metall which is poured into Flasks when they viz<sup>t</sup> false Coyners make Counterfeit money and these Informants likewise found under the bedd of the said roome spaud in a paper and these Informants doe suspect that the said Tho Pilsbury + Ann his wife are Counterfeiters of the Current Coyn of this realme

Anth S<sup>t</sup> Leger    Anth Dunn
