

Letter concerning adjustments to the standard weights of the current money

Author: Isaac Newton

Source: T 1/48.49, National Archives, Kew, Richmond, Surrey, UK

<247r>

To the Right Honourable the Lords Commissioners of his Majesties Treasury.

May it please your Lordships

According to your Lordships direction I have made & adjusted three setts of money weights to be standard weights for money current in the Kingdome of Ireland. And they are ready to be delivered when & where your Lordships shall please to order. I am

[1]

Your Lordships most humble

& most obedient Servant
