A Greeke Testament

Andrews his meditations

Ramus his logick are the 3. bookes which were lent Iames Tennant by W. Davis.

[Editorial Note 1] The following four pages (23v-22r) are all lightly struck out with criss-cross lines

[Editorial Note 2] This page is blank except for the page number, the call number and two rows of obscure symbols in Newton's hand. Folio 2 has been bound out of sequence and belongs after f. 8.
